

4TH OF JULY

SCAVENGER HUNT

For personal or school use only.

Today is the day
we see red,
white and blue.
Start the
hunt where
you'd find
shampoo.

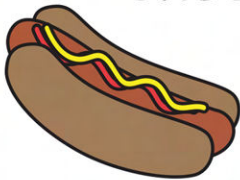

1.

We're not
looking
for an
American
flag,
instead peek
inside a grocery bag.

2.

Today's a day to
celebrate, now
check where
you'd find
a plate.

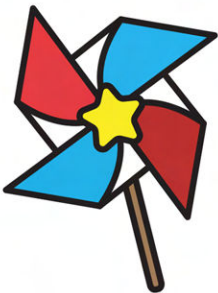

3.

More patriotic clues
to be found, look by
the dinner
table, on
the
ground.

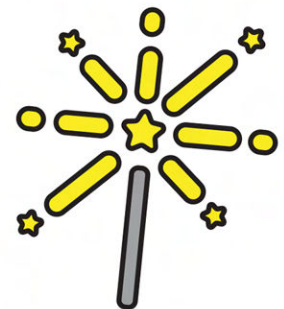

4.

No need to search
everywhere,
just look
around a
comfy chair.

5.

Fireworks and
sparklers
make the
sky glow,
look near
the couch
for a throw.

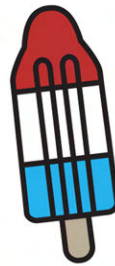

6.

You may see lots of blue, white and red. Now take a peek by your bed.

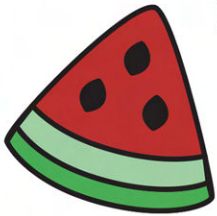

7.

Drinks are served nice and chilled, now look where food gets filled.

8.

You still have a few more clues, head to where you store your shoes.

9.

You're on your way, you're almost set. Go to where your hands get wet.

10.

Tonight, there will be fireworks in the sky. But first, find where the clothes get dry.

11.

This 4th of July hunt is almost done, check by the front door to see what you've won.
