Happy Father's Day,
Dad, you're truly
number one.
Start your
hunt where
the cooking
is done.

1.

No need
to use
a treasure
map,
take a look
now by your
favorite cap.

2.

You're doing well,
Dad, with more
clues to go. Take
a peek
now
under
your pillow.

3.

Lots of
laughs
and a big
bear hug,
find the next
clue by
a mug.

4.

You're doing well,
you're on a roll.
Now look
inside a
salad bowl.

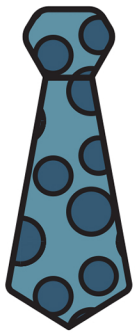

5.

You always listen
and care,
take a look
now under
a dining chair.

6.

Our family with you is truly blessed, now head to where you go to get dressed.

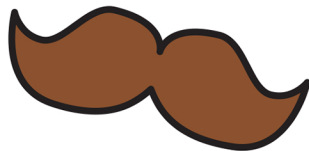

7.

You're almost done, but there's still more clues. Head now to where you keep your shoes.

8.

It's Father's Day, so have your favorite drink, but first, check by the bathroom sink.

9.

More clues are ready to be found! Take a look by the TV, on the ground.

10.

Thanks for always being the real you, now look by your wallet for the next clue.

11.

This is the last clue, there's no more to explore. For your final surprise, check the front door.
